

WHY SHOULD I CARRY CHOFFY?

WHAT IS CHOFFY?

CHOFFY is brewed chocolate. It is 100% premium cacão (cocoa) beans, roasted and ground that brews just like coffee for a rich, full-flavored drink that delights your senses while it nourishes your body. It is delicious served hot or iced. Created in 2006, CHOFFY is the original brewed cacão.

HEALTH BENEFITS

In one 8oz. serving there are only:

- 20 calories
- 3 carbs
- 2 grams of protein
- Antioxidants (more than 1.5 servings)
- Theobromine (healthy energy)
- Fat free
- Sugar free
- Dairy free
- Gluten free
- Chemical free

BREWING CHOFFY

It is recommended to brew CHOFFY in a French Press or an automatic drip machine using a permanent (gold or nylon) filter on the strongest setting. Many customers have also had success using a percolator, and AeroPress, a Turkish press, or stove top brewing.

WHY CARRY CHOFFY?

CHOFFY is a unique product that has wide appeal to many demographics:

- Coffee lovers
- Chocolate lovers
- The Cross-fit community
- Paleo/Primal lifestyle
- Vegans
- Health and fitness enthusiasts
- Athletes

Additionally, CHOFFY's health benefits appeal to those with certain health issues: diabetes, weight issues, migraines, cardiovascular issues, gluten-intolerance, lactose-intolerance.

It can be served hot - a great coffee or hot chocolate alternative, or iced - a delicious and refreshing cooler any time of the year.
